Another Collision at Sea. BALTIMORE, November 10.-The steamer Falcon, Captain Kirby, left this port at four o'clock yesterday afternoon for Charleston with a full cargo and seven passengers. When off Barren Island, and about ten miles south of Sharp's Island, she collided with the three-masted schooner S. C. Tryon. Captain the Kannebec that he would shoot him. Was living with Caldale, and a few days atter Maede's house was burned they were both missing. The investigation resulted in the strongest evidence that they had been the strongest evidence that they had been Nickerson, laden with ice from the Kennebec river for this port. At a quarter past ten o'clock the schooner sighted the steamer and kept on her course under a leading breeze with blood was also found in the house. Susand steering a point west of north. Just before they met the course of the steamer was
changed and she ran across the course of the
schooner. When the collision occurred, at
half-past ten o'clock, the bow of the schooner
struck the hull of the steamer an a line with
the mizzen mast, crashing through and destroying the upper works. As soon as they
could be loosened from each other Captain could be loosened from each other Captain Kirby steered for shoal water, the collision the steamer went down. All the boats of the Falcon were stove through; her lifeboat was made available and the women and edy to Sheriff Davis. He claimed his brother children first put into it, and then the male passengers, and sent ashore. Before the boat returned the palcon had gone down and her officers and crew, twenty-live in number, climbed into the rigging, whence they were rescued. The schooner lay by until daylight.

Michael did the killing; that he was present and helped drag the bodies off and bury them; that one of them was shot and instantly killed and the other badly wounded, and an ax was used to finish the job.

The bodies were found as stated by him, dren first put into it, and then the male rescued. The schooner lay by until daylight, when she continued her course and arrived here at five o'clock this afternoon. The pashere at five o'clock this afternoon. The passengers lost all their clothing except what most sickening night. This was more than they had on. The schooner was damaged five hundred dollars. The Falcon is about six hundred tons burden. She belongs to the Charleston steamship and railroad company, and worth twenty-five or thirty thou-and dollars. Her cargo was valued at about thirty thousand dollars, but much of that may be recovered. Site san, in seven fath-oms of water, and her mastheads and top-

Cotton Ginning HUMORS OF THE BLOOD, SKIN

CUTICURA RESOLVENT is the most powerful Blood Purlier and Liver St mulant ever compounded. In forty minutes after taking the first dose it may be detected in the saliva, blood, sweat and urine, showing that it has entered the blood and been distributed throughout the entire system. In its passage through the circulating fluids it meets with the corrupt particles of matter which foster and maintain disease, with which it chemically unites, destroying and gradually eliminating them from the system. Hence its power to ferever expel Scrofulous, Cancerous and Canker Humors, which unchecked fill the body with foul corruptions and rot out the delicate machinery of life.

CUTICURA, the great external remedy for all humors of the Scalp and Skin, Ulcers, Sores and Discharding Wounda, is the most soothing and healing of outward applications. It speedly destroys fungus and parasitle growths, restores the oil glands and tubes to a healthy condition, and cures, when assisted by the CUTICURA SOAP, diseases of the Skin and Scalp which have been the torture of a lifetime. HAVE as an assistant, Mr. ED. DASHIELL, who will be giad to see his old friends. FURSTENHEIM

WELLFORD, 276 FRONT STREET, MEMPHIS,

I would scratch until the blood would run down my limbs.

I have had several physicians. Some said they could cure me, but others said not.

I will say that before I used the Cuticura Remedies I was in a fearful state, and had given up all hope of ever having any relief.

But, like a drowning man grasping at a straw, I thought I woult try the Cuticura Remedies, about which I had read so much.

They have performed a wonderful cure for me, and of my own free will and accord I recommend them. Very truly,

S. A. STEELE,

68 W. Van Buren St., Chicago, Ill., March 7, 1879. 14 N. MAIN STREET, ST. LOUIS Our Memphis store will remain open during the fever, and customers will be supplied from here or St. Louis as they 'prefer

MORE GOOD THAN DOCTORS Gentlemen—Please find fifty cents to pay for a small box of GUTICURA and direct it to me. The dollar box you sent me has done me more good than all the doctors in three years. The doctors have done me no good. My feet and legs are healing fast. It is indeed CUTICURA. Yours truly,

EVAN MORGAN, P.M.
